Welcome Dr Luke

Dr Luke has joined our team this month to cover for Dr Tracy and Dr Sandie but will be staying on when they return as he has recently moved to Toowoomba. Dr Luke has been one of Dr Sandie's friends since Chiropractic college in New Zealand. He joins us from Brisbane (although he has just spent 3 months driving a tractor for his brother-in-law near Esperance WA) and is very excited about getting to know Toowoomba and all the KCC patients. Dr Luke uses a variety of techniques to provide people with the best adjustment possible.

Dr Tracy & Glen Update

Glen has passed 6 weeks since the double lung transplant (or triple lung bypass if you ask Natalie). He is making a steady recovery with a few challenges thrown in. He and Dr Tracy are still in Brisbane close to the hospital as there are a lot of appointments and 'supervision' by all the transplant team. They thank everyone for all the well wishes and prayers.

Musings by Dr Hart

The other day I heard a wonderful story. A woman told me that a previous student of hers came to her and thanked her for turning his life around 50 years ago, when she was a young teacher. She had spoken to him, using his first name and spoke kindly at a time when it was a ruler across the knuckles (sort of) if there was any misbehaviour. Isn't it amazing what a kind word will do and a little guidance?

Sue

Sue and Sandie celebrated their birthdays' (being 2 days apart) with a lovely birthday lunch, then Sue was taken out for dinner by Sarah, what a wonderful day! ☺

Natalie

Natalie has been busy busy...Nat was happy to take Dr Tracy's beautiful mother Helen down to touch base with Tracy and Glen for an afternoon drive...Tracy gave great instructions yet she decided to take the long route with a wrong turn! She was very happy to see Glen doing so well, a true champion after his "triple lung" bypass. Everyone has had a good chuckle about Nat's lung addition.

Leiza

June has been a very productive month for Leiza, getting settled into her new home. She is enjoying the lovely weather with plenty of walks and some days out on the motorbikes.

Leiza also enjoyed the birthday celebrations for Sue, Dr Sandie & Dr Brianna. She is making the most of having her son home for a short time until his next contract begins.
