Dr Hart

Dr Hart & Liz had great trip to Cape York last month. This time it was without a motorbike! They saw Crocs, sharks & Grouper and decided not to swim, as the risk did not seem to be worth it.

Dr Hart is working Mondays and Thursdays.

Dr Tracy

Dr Tracy & Glen had an amazing trip to the "tip" of Australia (Cape York that is) in June. It was a fun experience and Glen bought a special "camo" hat for Tracy to wear so she would blend in to the surrounds.

Dr Tracy works Monday, Tuesday, Wednesday and Saturdays.

Dr Chan

We should call her "Dr Yo Yo" Dr Chan was briefly back in Australia just for a few days to change bags. She is now on a flight from USA to Chile taking aerial photographs over Central America. She will be back into her usual routine here at Kennedy's starting the end of July. Welcome, welcome back Dr Chan.

Dr Meghan

We would like to thank Dr Meghan for the years of service she provided here at Kennedy Chiropractic. Meghan started here as a patient referred in to the office by her friend Tressa (now a Chiropractor) for a pain in her leg. She saw the amazing changes from chiropractic care and decided that was her path in life. She has been a wonderful part of our office for so long and we will miss her.

Dr Sandie

Dr Sandie shared a great birthday lunch in June. She has learned to eat with one hand while baby Hamish wiggles in her lap.

Dr Sandie is working Wednesday and Saturday mornings, and Friday afternoons.

Dr Tara

Dr Tara can't believe how quickly June went. She enjoyed getting to spend some time with each of her godsons. Tara was relieved to hand 'Texas' back after successfully keeping him out of too much mischief while Dr Tracy was away. Dr Brianna's visit was another highlight of Dr Tara's month. Dr Tara will miss seeing Dr Megs and Vicki at KCC!

Dr Tara is working Tuesday through Saturdays every week.

Sue

How time flies! Sue has just clocked up 7 years at Kennedy Chiropractic. There have been quite a few changes in that time and it will be sad to see Vicki go this month. We wish her all the best for the future. Once again it was wonderful to welcome back some old faces. Dr Chantal was here for a couple of days in June and Dr Brianna for nearly a week, while Drs Tracy and Hart had a well earned break.

Natalie

Natalie had a holiday in Paris and we are expecting her back bright and fresh in July. She ate too many croissants, drank too much coffee and had too much fun. Welcome back Nat.

Vicki

We said a sad farewell to Vicki last month. Whilst a life-change awaits Vicki she is devastated to have resigned from KCC, but so appreciative to everyone for the opportunity to have continued working in an environment helping people to better health...

Brooke

Dr Tracy was impressed at the high standard of people that applied for the reception position. We would like to introduce Brooke to our office.
